SEDA-PDF provides a CPD framework of 15 awards with specific outcomes, addressing a wide range of activities and roles within institutions. Each award is associated with a specialist development community. SEDA is seeking to develop the support provided to new award members and institutions through the work of its mentoring and recogniser community of practitioners.

The Aims of the Workshop are:

- To acquaint interested and current Recognisers and Mentors with the processes around Recognitions for SEDA-PDF
- To familiarise new and existing Recognisers and Mentors with the outcomes and focus of a growing number of awards
- To share experience and build confidence in being an effective Recogniser or Mentor
- To develop relationships across the SEDA-PDF support community

Proposed Programme

- Introduction to participants and the Award Framework
- SEDA-PDF and the national Professional Standards Framework
- What is Recognising and Mentoring?
- What is a Recognition Event?
- Exploration of practicalities of recognition and mentoring
- Group activities around individual awards
- Review and Action Planning
