## Are you:

- Thinking about getting involved in Recognitions for SEDA-PDF?
- Already involved in Recognitions (or Mentoring) for SEDA-PDF but have not attended a training workshop in the last two years?

If you are any of the above, this workshop is for you.

SEDA-PDF now provides 13 awards. Each is associated with specific outcomes, activity and role within institutions. Each is associated with a specialist development community. SEDA is seeking to develop the support provided to new award members and institutions through the work of its mentoring and recogniser community of practitioners.

## The aims of the workshop are:

- To familiarise new and existing Recognisers and Mentors with the outcomes and focus of a growing number of awards
- To share experience and build confidence in being an effective Recogniser or Mentor
- To develop relationships across the SEDA-PDF support community

## Proposed programme:

- Introduction to participants and the Award Framework
- SEDA-PDF and the Standards Framework
- What is Recognising and Mentoring?
- What is a Recognition Event?
- Exploration of practicalities
- Group activities around individual awards
- Review and Action Planning
